Come fly with me, let's fly let's fly away
If you can use some exotic booze
There's a bar in far Bombay
Come fly with me, we'll fly we'll fly away

Come fly with me, let's float down to Peru
In lama land, there's a one man band
And he'll toot his flute for you
Come fly with me, we'll take off in the blue

Once I get you up there
Where the air is rarefied
We'll just glide
Starry eyed
Once I get you up there
I'll be holding you so near
You may hear
The angels cheer cos we're together

Weatherwise, it's such a lovely day
Just say the words, and we'll beat the birds
Down to Acapulco Bay
It's perfect, for a flying honeymoon - they say
Come fly with me, let's fly let's fly
Pack up and fly away
