You and me
We used to be together
Every day together
Always

I really feel
Like I'm losing my best friend
I can't believe this could be the end

It looks as though you're letting go
And if it's real then I don't want to know

Don't speak
I know just what you're saying
So please stop explaining
Don't tell me 'cause it hurts
Don't speak
I know just what you're thinking
And I don't need your reason
Don't tell me 'cause it hurts

It's all ending
We've gotta stop pretending who we are...

Don't speak
I know just what you're saying
So please stop explaining
Don't tell me 'cause it hurts
Don't speak
I know just what you're thinking
And I don't need your reason
Don't tell me 'cause it hurts
