When you look into my eyes  
Promised to me that you'll never lie  
Walked me to class everyday  
Just to see what I'd say  
Dried my tears while I cried  
Made me feel like I had flied

I feel a connection between us  
This feeling is magic

The more time we spend together  
Feels like we'll last forever  
As time passes  
I ask myself, "Is this what love feels like?"  
If this is, I hope it never ends

We hang out after school everyday  
You've met my parents many times  
And everytime they see you  
They can't help but to smile

I feel a connection between us  
This feeling is magic

The more time we spend together  
Feels like we'll last forever  
As time passes  
I ask myself, "Is this what love feels like?"  
If this is, I hope it never ends

As the days pass by  
I feel more and more alive  
This connection's growin  
And your love for me is showin...

The more time we spend together  
Feels like we'll last forever  
As time passes  
I ask myself, "Is this what love feels like?"  
If this is, I hope it never ends
