Don't you see the truth?  
This girl doesn't deserve you  
Her lies fill your mind  
She says she loves you  
While she's seeing other guys

You don't deserve that  
You deserve so much more  
Just do it  
Kick her out the door

You need a girl that loves you for you  
When you look into her eyes, you know it's true  
The girl that you're with  
Can't handle this  
When you realize the truth  
You'll know she doesn't deserve you

I'm walking down the street  
On my bare feet  
Having the time of my life  
I run into you  
Not sure what to do  
But then I see the look on your face  
I ask what's wrong  
But I knew all along

You don't deserve that  
You deserve so much more  
Go ahead  
Kick her outta the door

You need a girl that loves you for you  
When you look into her eyes, you know it's true  
The girl you're with  
Can't handle this  
When you realize the truth  
You'll know she doesn't deserve you

As you cry  
I hold you in my arms

I feel sorry for you  
And then I tell you the truth  
You look into my eyes  
And you know I'll never lie

I'm in love with you  
And I know that you love me too  
Now that I'm in your world  
You can forget about that other girl
