Isn't it funny how you never really screamed at my face  
But your anger's so unspoken and unchanneled  
Its my essence to the point where I  
Don't wanna see you, hear you, be anywhere near you  
You probably think I'm threatened by you  
But your illusionary power doesn't threaten me

Actually I think it's kinda funny  
That you create an illusion that is a mirror  
I dont appreciate you  
And I know that that supprises you  
I suppose you see that those who follow their heart  
always win  
Those with integrity have won the match before it's  
begun

So rather than being kicked around  
I'm gonna kick you to the curb  
So rather than being pushed around  
I'm gonna push you away first  
So rather than trying to protect you  
I'm gonna cover my bases first  
So rather than trying to open my heart  
I'm gonna lock it with a key  
So that only the special ones  
Can ever get through to meeeeeeeeeeeeeee-ee-ee-ee-  
eee

I dont wanna be angry  
I dont wanna be angry  
This is not worthy of me  
And now with clarity I can see  
That I can walk away, I can walk away!

So rather than being kicked around  
I'm gonna kick you to the curb  
So rather than being pushed around  
I'm gonna push you away first  
So rather than trying to protect you  
I'm gonna cover my bases first  
So rather than trying to open my heart

I'm gonna lock it with a key  
So that only the special ones  
So that only the special ones  
Can ever get through to me
