I couldn't feel the wind blow
Or see the rain fall
I couldn't smell the flowers
Hear the oceans roar

I couldn't sing a love song
Or say a word
I never had imagined
The mountains I could climb
Until I found you

Baby I believe
That I did the best I could
There was nothing to me
I was all that I could be
Then you came to me
And you showed me how to love
Didn't know love was true
Until I found you

And now I dream of places
That we can go to
I can feel the fire
Burning deep inside
And even in the darkness
I can feel you with me
I know that you will always be right by my side.

I couldn't sing a love song
Or say a word
I'd never had imagined
The mountains I could climb
Baby I believe
That I did the best I could
There was nothing to me
I was all that I could be
Then you came to me
And you showed me how to love
Didn't know love was true
Until I found you

Every day

Was harder than the others
There was times when I
Kept running for covers
Then you came to me
Showed me love forever
And you made me see
That I'm in love

Baby I believe

Baby I believe
That I did the best I could
There was nothing to me
I was all that I could be
Then you came to me
And you showed me how to love
Didn't know that love was true
Until I found you
