Its 3am, i start to cry  
im alone again  
i try so hard not to fall in love  
but here i am

and you couldnt even pretend  
that you cared if this was the end

all the things you said to me wont even matter  
do what you want  
'cos im not gonna see you baby  
whats goin on  
we dont care we dont fight  
we dont even know whats wrong or right now baby  
whats goin on  
whats goin on

theres nothing else i can say  
what can i do?  
we might have worked out some day  
but it takes two

and you couldnt even pretend  
that you cared if this was the end

#### CHORUS

all the things you said to me wont even matter  
do what you want  
'cos im not gonna see you baby  
whats goin on  
we dont care we dont fight  
we dont even know whats wrong or right now baby  
whats goin on  
whats goin on

whats goin on  
all the things you said to me wont even matter

and i couldnt even pretend that i cared if this is the end

im not gonna see you baby

## CHORUS

all the things you said to me wont even matter  
do what you want  
'cos im not gonna see you baby  
whats goin on  
we dont care we dont fight  
we dont even know whats wrong or right now baby  
whats goin on

all the things you said to me wont even matter  
do what you want  
'cos im not gonna see you baby  
whats goin on  
we dont care we dont fight  
we dont even know whats wrong or right now baby  
whats goin on  
whats goin on

but here i am
