I've been down trodden
And pushed around
I've been broken
And burnt

My hearts been rung out
And kicked around
Had my share of the blues

Till you rescued me
Took me to places
I'd never been
Showed me a truth
A new clarity
And now I see
Now I see

Because you believed
In who I am and all that I could be
You believed
You read my heart
And shared all my dreams
And I just want to thank you
For all the joy you bring
You believed
Because you believed

I've been forgotten
I've been left out
Cried me a river
Or two
Days when my friends
Could not be found
Oh yeah and I've been a fool
Till you rescued me
Took me to places
I'd never been
Showed me a truth
And honesty
Now I'm free
Now I'm free

Because you believed
In who I am and all that I could be
You believed
You read my heart
And shared all my dreams
And I just want to thank you
Cause you believed

Because you believed
