(VERSE 1)

See my face you know where I've been  
Walking in jungle  
Cruising down boulevard part of the race  
Taking a tumble

(BRIDGE 1)

Loving a stranger  
Is fearing from danger  
Is crying in some avenue  
And soon the hate will be there...

(VERSE 2)

Assassin with gun is taking his aim  
To target his rival  
And tossing the street is a dangerous game  
The stakes are survival

(BRIDGE 2)

Love in that stranger  
Still fearing that danger  
Still crying in some avenue  
And soon the hate will be there too

(CHORUS 1)

Life in the Big Apple moves very fast  
And so must you  
Do like the others do  
And don't you drag your heels  
Life in the Big Apple moves very fast...

(VERSE 3)

Cops on route are hot in pursuit  
As windows are shattered  
CafÃ© and arcade are teeming with loot  
The sidewalks are scattered

(BRIDGE 3)

Walking down highways  
Just seeing things my way  
While dealer man enjoys his wealth

You spare the rope, he'll hang himself

(CHORUS 2)

Life in the Big Apple moves very fast  
And so must you  
Do like the others do  
And don't you drag your heels  
Life in the Big Apple moves very fast  
And so must you  
Do like the others do  
And don't you drag your...  
Drag your...

(FINAL CHORUS)

Life in the Big Apple moves very fast  
And so must you  
Do like the others do  
And don't you drag your heels  
(REPEAT FINAL CHORUS TO FADE)
