(VERSE 1)

No sooner than
I turn my back and then
It's so hard to find
I'm on the decline with you

(BRIDGE 1)

Were I to know your feelings
Is there something between me and you?
Can't pretend you surprise me, ah...
And baby it's hurting me too

(CHORUS 1)

Hang on girl, meet my heart
It knows the best time for new love to start
Hang on now, meet my heart
It knows the best time for us to start
Hang on girl (hang on girl) won't you remain?

(VERSE 2)

Those special moments together
I don't understand
But can't we go ahead
As we had planned?

(BRIDGE 2)

I've questioned all your reasons
Underneath I can see
Somewhere my stolen lover
Who really should still be with me

(CHORUS 2)

Hang on girl, meet my heart
It knows the best time for new love to start
Hang on now, meet my heart
It knows the best time for us to start
Hang on girl (hang on girl), meet my heart
It knows the best time for new love...
To start

(MIDDLE)

Should I hang on?

Should I stay?
What's the ransom
I will pay?

(FINAL CHORUS)

Hang on girl, meet my heart
It knows the best time for new love to start
Hang on now, meet my heart
It knows the best time for us to start
Hang on girl, meet my heart
It knows the best time for new love to start
Hang on now, meet my heart
It knows the best time for us to start
Hang on girl, meet my heart
It knows the best time for new love to start
(REPEAT FADING)
