(VERSE 1)

Pick and choose
The things you wear
Feel free to look around
With obligation
Times have changed
So break new ground
Feel free and take your time
Take a little extra time
More time with no obligation

(VERSE 2)

Clothes, in vogue (Vogue!)
Are all the rage
Ah! But don't expect too much
They can't perform miracles
Head to toe disguised again
It's heavy when they say
We don't perform miracles
No, we don't perform miracles

(CHORUS)

Ooh to be ah jetsetter
Be ah head start
Ooh to be ah, ooh to be ah
Look at me, ooh in something new
Ooh to be ah

(VERSE 3)

Cool glossy mags
Reveal the facts
With a little bit of goo
It's usually in the Who's Who
Place your bets
Predict the favourite party of the day
You'll find it in the Who's Who
Who's there!?
You'll find them in the Who's Who

(REPEAT CHORUS)

Ooh to be ah jetsetter
Be ah head start

Ooh to be ah, ooh to be ah
Look at me, ooh in something new
Ooh to be ah

(MIDDLE)

Ooh be ah
Ooh toÂ... ooh be ah
Ooh toÂ... ooh be ah
Ooh toÂ... ooh be ah
Ooh toÂ... ooh be ah
Ooh toÂ... ooh be ah
Ooh toÂ... ooh be ah

(FINAL CHORUS)

Ooh to be ah jetsetter
Be ah head start
Ooh to be ah, ooh to be ah
Look at me, ooh in something new
Ooh to be ah
Ooh to be ah jetsetter
Be ah head start
Ooh to be ah, ooh to be ah
Look at me, ooh in something new
Ooh to be ah
Be ah jetsetter
Be ah head start
Ooh to be ah, ooh to be ah
Look at me, ooh in something new
Ooh to be ah
Ooh to be ah jetsetter
Be ah head start
Ooh to be ah, ooh to be ah
Look at me, ooh in something new
Ooh to be ah
Ooh to be ah jetsetter
Be ah head start
Ooh to be ah
(FADING)
