I mastered a disguise that I take with me
I smile and nod and pretend

I know how to dress, cut my hair
I know how to act like I don't care
You won't believe that I've recovered quite so quickly

Ah ah ah, ah ah ah
Tellin' you it's almost true
Ah ah ah, ah ah ah
Someone else would almost do
Ah ah ah, ah ah ah
Someone that is almost you
Hurray (ah ah ah), I say (ah ah ah), hurray

I'm not afraid to say the things that I am thinking
Cause I'm not dreamin' of you

I know what it takes to walk that walk
Set my heartbeat to the clock
It's 4am and I haven't started sleepin'

Ah ah ah, ah ah ah
Tellin' you it's almost true
Ah ah ah, ah ah ah
Someone else would almost do
Ah ah ah, ah ah ah
Someone that is almost you
Hurray (ah ah ah), I say (ah ah ah), hurray (ah ah)

Same, I will find her, someone just the same
I will find her, just the same but worse in every way

Ah ah ah, ah ah ah
Tellin' you it's almost true
Ah ah ah, ah ah ah
Someone else would almost do
Ah ah ah, ah ah ah
Someone that is almost you
Hurray (ah ah ah), I say (ah ah ah), hurray (ah ah)
