I have climbed the highest mountains  
I have run through the fields  
Only to be with you  
Only to be with you

I have run, I have crawled  
I have scaled these city walls  
These city walls  
Only to be with you

But I still haven't found  
What I'm looking for  
But I still haven't found  
What I'm looking for

I have kissed honey lips  
Felt the healing in her fingertips  
It burned like fire  
This burning desire

I have spoke with the tongue of angels  
I have held the hand of a devil  
It was warm in the night  
I was cold as a stone

But I still haven't found  
What I'm looking for  
But I still haven't found  
What I'm looking for

I believe in the Kingdom Come  
Then all the colors will bleed into one  
Bleed into one  
But yes, I'm still running

You broke the bonds  
And you loosed the chains  
Carried the cross of my shame  
Of my shame, you know I believe it

But I still haven't found  
What I'm looking for

But I still haven't found  
What I'm looking for

But I still haven't found  
What I'm looking for  
But I still haven't found  
What I'm looking for
