She has a smile like a polaroid
Her body smooth as celluloid
I wanna run but there's no where to hide
My heart is beating for you deep down inside

(You know me)
I see your face inside a picture frame
The music plays and I'm on the edge
I'm climbing the walls, my love is on the ledge

I wanna run
I wanna hide
She's so dangerous
She makes me crazy deep down inside
You can't hide
(She spent all my money, spent all my time)
She's so dangerous
(Come on baby give me time)
She's so dangerous

Tell me baby this is love
I'd take a bullet if push came to shove
I hope you know my aim is true
Don't know what I'd do if I didn't have you
Hot licks
No more tricks
I feel the rhythm in my fingertips
I'm on the floor but I'm touching the sky
Open my eyes and I'm ten miles high

I wanna run
I wanna hide

She's so dangerous
She makes me crazy deep down inside
You can't hide
(She spent all my money, spent all my time)
She's so dangerous
(Come on baby give me time)
She's so dangerous

voilin playing

(Love me tenderly)
'Cause I lose myself inside your song
(Love me tenderly)
And it feels so right, it must be wrong

She has a smile like a polaroid
Her body smooth as celluloid
I wanna run but theres no where to hide
My heart is beating but my brain is fried

I wanna run
I wanna hide
She's so dangerous
She makes me crazy deep down inside
You can't hide
(She spent all my money, spent all my time)
Shes so dangerous
(Come on baby give me time)
She's so dangerous

Hot licks
No more tricks
She's so dangerous
I feel the rythm in my fingertips
She's so dangerous
