Heaven knows what was in my head
But I guess it all came out
Can't believe that I said what I just said
Tell me what's it all about

You know I don't mean to hurt you
And I just want to tell you
That I don't want to wait until tomorrow

Don't want to wake and find you gone
Don't want to waste a day 'cause I know
Sorry always takes too long
Baby I was wrong

Before I let this sinking ship go down
And I watch you swim away
Let me take my foot out of my mouth
Let me try again to say

That I don't want to hurt you

And I don't want to
Don't want to
Don't want to wait until tomorrow

Don't want to wake and find you gone
Don't want to waste a day 'cause I know
Sorry always takes too long
Baby I was wrong
Baby I was wrong
Baby I was wrong

And I don't want to hurt you
And I don't want to
Don't want to
Don't want to wait until tomorrow

Don't want to wake and find you gone
Don't want to waste a day because I know
Sorry always takes too long
Sorry always takes too long
Baby I was wrong
