(Twista)

Twista in the house  
all ya'll weak niggas put the steel down  
comin from Chi town to kill town  
down with the Shife Niggaz  
you now how we gonna do it  
ready rockin big baby  
you mothafuckas try to step on our tip and serve y'all  
must be crazy  
we gonna do it like this here

(Shife Niggaz)

woke up on a mission for cream if you know what I  
mean  
not servin the fiends  
doin my thang tryin to get some green cuz I alwayz  
wanted some finer thangs  
in the gang ways everyday allday thats when you  
gonna see me coastin  
if you have a throw this and throw shit now what a way  
to get roasted  
toasted  
rollin with Baby Rock and Twista baby don't you get me  
twisted  
cuz admit it to wit it if it ain't bout benjamins I ain't wit it  
you feel it  
I know you do  
can I get a sack or two on you  
my crew be makin up rules and breakin up fools I  
thought you know how we do  
it in 9-9  
I gotta get mine you gotta get you on the side with lead  
but if you ever disrespect I tip shown up you gettin  
paided  
yo yo here come the po, via-pia  
is what I heard on the way to the crib with herb on  
swerve about to get high  
as a bird  
ya heard I be hustlin all day and my pockets lookin nice  
like a big man again in his face or better yet lets roll  
them dice thats

right  
in all day and I could give a dam bout what you think  
never cheated baby tough style that my friend on the G  
you gettin stanky cuz  
I'm

(chorus) 2x

(Twista)

servin yay up out the gang way, out the gang way  
somebody smoke somethin we been hustlin all day,  
hey  
don't make us let them thangs spray, let them thangs  
spray  
show up at the pass and we got straps in the hallway  
don't play

(Shife Niggaz)

I have a little stocaine niggas back Timbaland beat it up  
with the propane  
keep my pocket on swole man before chi nigga that  
you know when the dough  
came  
and I gotta get more change so I'm steadily hustlin  
pushin at your love  
when my friend role up they know better young and  
slang and roll up  
steady blowin on doja  
let the nigga wanna get 'em up very dusty bitch never  
trusty the mob click  
full of niggas that video rushin  
ya'll niggas can't fuck wit Baby Rock I'm the nigga that  
keep shit bumpin  
never go cause jumpin allday allnight keepin go from  
slangin  
have you move somethin pimpin them hunnies turnin  
them crumbs to grease  
look at that gun shit therefore I wouldn't even wanna  
fuck wit this  
gotta get money quick so either or Dre slangin that  
water water  
bunch ya gotta test it pardon in hood in this city get  
fuckin slaughtered  
tell you cuz you bought it hey stay the fuck outta my  
business  
shot in hella inning coyote menace Baby Rock here to  
bring it  
gaps to risk my freedom which nigga beat to my G's  
allday  
everyday on the grime Baby Rock gotta be by snatchin  
cheese cuz I'm

(chorus) 2x

(Twista)

I gotta get up on the money for the early, so I rise early,  
my eyes curley  
on the pen I'm on ten betta get 'em on thirty  
I'm about handlin my business straight menace when  
the pockets low straight  
go  
get up to the peena's on the front porch tippin through  
the door but I'm  
home  
and I hate on the nigga on the first day get the feelin  
shiesty  
hitin licks for chips for though clips for niggas that  
don't like me, feelin  
liked on my ten  
comin on my block can get you wetted shoulda jetted  
go 'head call up your boys tell 'em Twista said it don't  
let it  
go to your head when I'm bustin off lead  
all ready got the tip hot don't need to backin and  
dodgin the feds  
cuz they show tried to do me in  
send me to a gruesome man  
straight to a pen  
gotta be carefull where servin my two full tens  
gotta get money man, tippin on my block is a dirty  
game  
I do my thang and then hang smoke some joke to the  
brain  
got my little roady on the block out here servin a couple  
dubs  
and when got head workin hard so bring some weed  
when we pull up cuz I'm

(chorus) 4x
