Jenny Artichoke lived in a boat down by the sea with her
baby

And she didn't know much about anything, but she
was, oh, so nice to me

Jenny Artichoke lived in a boat, dressed like a queen,
you should have seen

And she didn't care much about anyone, but she was,
oh, so nice to me

Jenny, climbing up a flagpole, Jenny, looking through a
pothole

Jenny with her hair of fire, how could anyone ever pass
by her?

Jenny Artichoke lived in a boat, heavens above, she
was in love

And I didn't give a care about anything, but she was,
oh, so nice to me

Jenny, climbing up a flagpole, Jenny, looking through a
pothole

Jenny with her hair of fire, how could anyone ever pass
by her?

Jenny, Jenny

Jenny with her hair of fire, how could anyone ever pass
by her?

Jenny Artichoke lived in a boat down by the sea with her
baby

And she didn't know much about anything, but she
was, oh, so nice to me

Jenny Artichoke lived in a boat, dressed like a queen,
you should have seen

And she didn't care much about anyone, but she was,
oh, so nice to me

Jenny, climbing up a flagpole, Jenny, looking through a
pothole

Jenny with her hair of fire, how could anyone ever pass
by her?

Jenny Artichoke lived by the sea, Jenny Artichoke said
she loved me
