Making love in an ice cold room we stop till the candle
burns gone
Kissing each till the moonset says bye bye and the
sunset says hallo
Laying here with no blanket the room temperatures
sub-zero, baby bring your body closer cause you keep
me warm when your naked.

Let's keep on loving till we get freezer burn
Making love in this ice box till we get freezer burn
Let's keep on keep on freezing hold me tight oh
IÃfÃ~Ã,Ã¿Ã,Ã½m not leaving
Let's keep on loving till we get freezer burn

Sweat dripping off our bodies breathing smoke wile
you whispering too me
Ice crystals in the small of my back boy we make frost
when we touching like that
Laying here with no blanket the room tempetures sub-
zero, baby bring your body closer cause you keep me
warm when your naked

Lets keep on loving till we get freezer burn
Making love in this ice box till we get freezer burn
Let's keep on keep on freezing hold me tight oh
IÃfÃ~Ã,Ã¿Ã,Ã½m not leaving
Let's keep on loving till we get freezer burn
Snowflakes at the tip of my fingers
Frozen in time our love lingers, living in a worlds so
cold sometimes our hearts are just like icicles
Being with you is all I need there's nothing we can't
handle babe
Lay on my chest please cover me deep frost all this
bad memories

Let's keep on loving till we get freezer burn
Making love in this ice box till we get freezer burn
Let's keep on keep on freezing hold me tight oh
IÃfÃ~Ã,Ã¿Ã,Ã½m not leaving
Let's keep on loving till we get freezer burn

Let's keep on loving till we get freezer burn

Making love in this ice box till we get freezer burn
Let's keep on keep on freezing hold me tight oh
I'm not leaving
Let's keep on loving till we get freezer burn
