They said we'd never make it
They said we'd never last
They said this love was a hurricane
It would come and go so fast
But baby we're still standing
We're still going strong
So take my hand, don't look back
We're gonna prove that they were wrong

It's just you and me
It don't matter baby what they say
'Cause we ain't listen to 'em anyway
We're gonna make them see
Just keep on makin' a stand, gonna show 'em just
How tough love, show 'em how tough love can be

I know you get nervous
And I know you get scared
Don't you worry baby, I ain't goin' anywhere
'Cause I am strong and love to hold you
Close when times get bad
You are my reason, for every dream I ever had

It's just you and me
It don't matter baby what they say
'Cause we ain't listen to 'em anyway
We're gonna make them see
Just keep on makin' a stand, gonna show 'em just
How tough love, show 'em how tough love can be

They said we'd never make it
They said we'd never last
They said this love was a hurricane
That would come and go so fast

But it's just you and me
And it don't matter, baby, what they say
'Cause we ain't listening to them anyway
Gonna make them see
Just keep on making a stand
Gonna show 'em just how tough love

How tough love, how tough love can be
