You look so sexy with your clothes on,
Girl, but won't you come and take those clothes off?
You look so right with 'em jeans on,
Girl, but won't you come and take those jeans off?
I'm trying to get a little bit closer to you, hon
Put your body on my body!
I'm trying to get up on you,
I'mma make it up and...

Chorus:

You look so lavish those panties on,
Getting you naked is like a love song!
I just don't wanna stop, let me press where I want...
Let me love you girl, kiss you girl, rock your world, aha!

You know just how I like it...
Girl don't be surprised, just take the clothes off,
And I'll take my time,...
I'll keep you soaking wet,
You know how I like it! (x2)

Your body is crazy while you lay there,
From your complexion right to your hair
... roll your... and ass like that,
Drop, drop daddy, come to daddy, aha!
You know, oh, baby you know I'm so excited,
Your eyes are...
Baby you know, I'm about to...
You know how I like to hit it...

Chorus:

You look so lavish those panties on,
Getting you naked is like a love song!
I just don't wanna stop, let me press where I want...
Let me love you girl, kiss you girl, rock your world, aha!

You know just how I like it...
Girl don't be surprised, just take the clothes off,
And I'll take my time,...
I'll keep you soaking wet,
You know how I like it! (x2)
