Yeah! This mother fucker follow and I'm his bitch!  
Don't pick no one to fuck up... and booty tonight

You gonna be the reason that I ditched my last night  
You, you, you gonna be the reason that I ditched my  
last night  
What's the plan ... and tell me what you drank?  
Uh, you know, I need it boy, I want that love fine  
I know that you love me cause you let me where...  
Now we're all alone, we're both in the zone  
Now we're all alone!  
You don't wanna leave me cause you know where you  
belong!  
Damn, I think I love you, and it's just my third drink  
Uh, you're looking good, and I'm feeling kinda strong

Chorus:

I, I, I need a love that's gonna last  
Make your love rock, make your love rock to me!  
I need a love that won't stop, baby don't stop  
Make your love rock for me!  
Boy you might as well come and sit your ass down  
Boy you might as well come and sit your ass down  
Boy you might as well come and sit your ass down  
Boy you might as well come and sit your ass down

Uh! Hear my L Kalenna  
Bitch I'm auto...  
I'll be on that white girl, pussy like a...  
Body got me feeling, put me up in rehab,  
bitch I'm on ... I don't slip, I'm out of rehab!  
Wait, wait, wait she do her thing  
She's no... but she always gimme brain  
That's the kind I like, we should go get...  
She think I'm a weirdo, Napoleon, dynamite  
....I'm looking for girls to pray on  
I got it all, I'm missing a couple of...  
Girl, your body is.. come and sit your ass down  
what's in the... and after this is going down!

Chorus:

I, I, I need a love that's gonna last  
Make your love rock, make your love rock to me!  
I need a love that won't stop, baby don't stop  
Make your love rock for me!  
Boy you might as well come and sit your ass down  
Boy you might as well come and sit your ass down  
Boy you might as well come and sit your ass down  
Boy you might as well come and sit your ass down

We're up on that roller coaster  
We is going down!  
Now we're on that easy shit, we ain't touching down

Going, got him, got him, I'm on it!  
I kill this shit, and... this shit  
Kalenna is on the focus!  
All the big diamonds, nigger swear that I'm...  
Got Love don't stop, I tell a bitch to keep hoping!  
And focus ... no folding my necklace  
All black, white body... call it precious  
You see me, lady got 'em lips  
I tell 'em go ahead, go...  
I'mma go so hard on you, singing like...  
I tell the bitch to hold that, hold that  
I got a ring for you baby, but ...

Chorus:

I, I, I need a love that's gonna last  
Make your love rock, make your love rock to me!  
I need a love that won't stop, baby don't stop  
Make your love rock for me!  
Boy you might as well come and sit your ass down  
Boy you might as well come and sit your ass down  
Boy you might as well come and sit your ass down  
Boy you might as well come and sit your ass down

We're off in the club, and we don't give a fuck now  
We fucked up now, and it's going down!  
We don't give a fuck now  
We fucked up now, and you was going down!  
That booty bitch is gonna get your money  
Big titty bitches in the club get your money  
Fly niggers... get your money...

I want you baby to make my ego boom, boom!  
I want you baby to make my ego boom, boom!
