I'm the beat broadcaster  
Lil' Eddie

Oh Oh, Ohhh  
Ohh, yeah yeah  
Drop with me  
Fly with me  
Ride with me  
All my ladies saying

When I call his phone we'll be talking on the low, low  
Putting me on hold, let me know it's a no, no  
I know he chillin' with them hoe, hoe, hoes (but it's  
alright)  
Off in the climate give me rain with the fellas  
Let them bitches get wet 'cause I've got an umbrella  
Last night I cried for the last time  
So it's alright

I told myself the next time I'll be fine  
If you didn't make it home I won't die  
I'll be dating for the night  
All my girls saying hello, hello  
If he can do it, so can I  
I'll be the first to testify  
There was danger in my eyes  
When I say there's no more for us

Rainy days  
It's like a star fell out of the milky way  
He was the sun chasing my clouds away  
I must say he's the shelter from my rainy day  
Rainy day, Rainy day  
I must say he's the shelter from my

Rain, rain go away  
You should've been here taking care of me (me, me)  
Well uh oh  
Someone took your rain, rain on a rainy day  
I know it's gon' drive you crazy (zy, zy)  
Well uh oh  
Playboy you're too late

I told myself the next time I'll be fine  
If you didn't make it home I won't die  
I'll be dating for the night  
All my girls saying hello, hello  
If he can do it, so can I  
I'll be the first to testify  
There was danger in my eyes  
When I say there's no more for us

Rainy days  
It's like a star fell out of the milky way  
He was the sun chasing my clouds away  
I must say he's the shelter from my rainy day  
Rainy day, Rainy day  
I must say he's the shelter from my

As long as you keep misbehaving  
They'll be a replacement  
Right in my I'll get bored  
Your clothes are still in my closet  
I would've get rockin'  
But you'd rather make it rain

Rainy days  
It's like a star fell out of the milky way  
He was the sun chasing my clouds away  
I must say he's the shelter from my rainy day  
Rainy day, Rainy day  
I must say he's the shelter from my

Rainy days  
Rainy days  
He's my shelter, yes  
From my,  
Rainy days  
Rainy days  
Rainy days  
Oh yeah  
Yeah, yeah, oh oh, yeah, yeah yeah, yeah, yeah  
Rainy days
