[Chorus:]

Now that I found my life  
I'm doing better - so good to be myself  
I'm doing better, so sexy, I'm stronger  
You didn't hurt me, I'm stronger.  
Just when you thought I won't (I'm doin better)  
Thought that I would give up hope.  
I'm doing better so sexy I'm stronger  
You didn't hurt me, I'm stronger.

[Verse 1:]

You thought that I would be nobody  
Now I got to tell somebody, about my struggle and how  
a sista had to hustle.  
See, you thought I wasn't no hottie  
Now I'm the hottest chic at this party  
My hips got you  
My sexy lips and my eyes too you see...

[Chorus]

[Verse 2:]

You told me I wasn't sexy  
Try to shine  
You wouldn't let me get my thing on  
You stuck on stupid you were so wrong  
You said I'm to bootylicious  
Now this booty got you wishing you had backed off  
And got somebody else to hate on  
You see... what goes around comes back around.  
One day you'll see  
I'm just tryna do me  
Don't hate on me

[Chorus]

[Verse 3:]

You said I wasn't nobody  
Now I got to tell somebody about my struggle  
And how a sista had to hustle see  
I'm just tryna do my thang  
Don't rain on my parade

One day you'll see  
I'm just tryna do me  
Don't hate on me

[Chorus]
