I got what you need
Boy so let me hold you down down
You aint gotta be lost no more
Cause you found me
Post it in the corner by
Screamin I'm single
Haters on the block
Lookin like top model

If your tryna go all the
Way tonight
Boy it's just your luck
I'll treat you right
If your tryna be
Risky tonight
I aint gonna leave
Without you tonight

Boy let me show you
All the things
You've never seen before
Boy let me show you
A side of me
A side of me
You can't ignore
The truth [2x]
Imma set your love free
The truth [2x]
So come on follow me

Come and get a taste
Of the real if you don't know
What you've got
Yourself into
Let me put your heart
In your mind go go more
Why I'm certified to love you

If your tryna go all the
Way tonight
Boy it's just your luck
I'll treat you right

If your tryna be
Risky tonight
I aint gonna leave
Without you tonight

Boy let me show you
All the things
You've never seen before
Boy let me show you
A side of me
A side of me
You can't ignore
The truth [2x]
Imma set your love free
The truth [2x]
So come on follow me

Baby I'm so tenderble
My love is magical
Don't worry bout my name
Just let you feel it
And I got you
Baby boy
Come and let mama
Rock you
Imma show you boy
Can't nobody love you
Like me, boy

Boy let me show you
All the things
You've never seen before
Boy let me show you
A side of me
A side of me
You can't ignore
The truth [2x]
Imma set your love free
The truth [2x]
So come on follow me

Boy let me show you
All the things
You've never seen before
Boy let me show you
A side of me
A side of me
You can't ignore
The truth [2x]
Imma set your love free
The truth [2x]

So come on follow me

Let me show you the truth
