[Cybion]:

"Is this proposal a godsend?  
Am I mature enough for this fusion?  
I'm at a turning point of my life...  
What should I do?"

They're back, eighty years have passed  
Throwback to thirty-two  
A new era  
We have progressed, is this enough?  
Brutality fragments

Despite our endeavours  
We could not make it  
We cannot fake it  
This is a part of us"

Numerous factions of resistance, mainly of religious origins, still refuse the integration of the Earth into the Galactic League, and fight against the new world authorities.

[Arkens]:

Oi noma, miryena (We come back, receiving)  
Em sulo s'akalizia (You have chosen your evolution)  
Oi vela, morwena (We rejoice, we sing)  
Em pilo apkarmeena (Nevertheless you are not ready)

Em ansun akeeni (You'll learn under our protection)  
Oi neeki nem enlitumka (We'll educate your elite)  
Izemia, azimia (Physics, biology)  
Palizia, god, elentia (Politics, informatic, art)
