"Turn Me On"

In every human being there's a beating heart
One of them beat for you
But you'll never find the answer If you
But you'll never find the answer If you
Coming In the same way like I do
Running around In circles, In a human market place
I can not move easily to the monotonous base
Maybe It's to late, I'm searching for a date
Is there anyone In there, who can...
Turn me on, turn me on
Turn me on, turn me on
Turn me on, turn me on
Turn me on, turn me on
It's just a parking break in the quest of love
On a never ending highway
I can't turn around, cause I move too fast
But no one can reach their past
There's a wolf outside my window and she's howling at
the moon
And the crickets beat their riddim so the answer will
come soon
Is there anyone in here, who can...
Turn me on, turn me on
Turn me on, turn me on
Turn me on, turn me on
Turn me on, turn me on
