(Chorus)

It's only the beginning
It's only the beginning of a love
That will never end
That will never end

Every time your lips touch mine
There's no thrill that is more divine
Silly girl, can't you feel, don't you know
We've got a long way to go
(We've got a long way to go)... cause...

(Repeat Chorus)

It's not hard to understand
Why I hold my breath when I hold your hand
Silly girl, when I'm so close to you
Well, what'd you expect me to do

(Repeat Chorus)

I know what we've got in store
Fortune tellers couldn't tell us more
Silly girl, is our love here to stay
This is all I can say

It's only the beginning
It's only the beginning of a love
That will never end
That will never end
It is only the beginning
