And life goes on with harmony
Day after day those same routines
And lifetime filled with happiness
The most greatest joy

[Pre-chorus:]

So great is the sea so small your boat
But you don't know if you don't row
And so great is the sky above your blue eyes
But you can't see behind the lies

In the smallest crack of your life's track
Is a chance for me to attack
Now the time is right for you to say
Your last goodbyes

[Chorus:]

Face yourself, your own dreams
I am your real demon hidden in your mind
I'll show you my own world, I'll take you down to the
Bitter metallic side

You're lying next to me and you're too good to me
And I think you know I can't let you go

Bitter
Bitter
Bitter
Bitter

But don't throw away your last coin
I have to do this all my own
I only want you to know
I'm buried deep down in your soul

[Pre-chorus]

[Chorus]

Bitter metallic side
Bitter metallic side
