Music: A.Kokko, lyrics: P.Kokko

Land of mighty and glory  
Reality behind the iron curtain

Waves - of the bloody revolution  
Demagog - calling to join them  
Puppets will gather  
Controlled by the hindbrain

Heritance of Berija  
Comissar's iron fist  
Blood is thicker than water  
Innocent people pay the price

Chauvinist - using the ultimate power  
Democracy - demigod of backward nation  
The one who sow dissension  
Submission or punishment

Salute - The - One
