You've got those killer eyes
You've got me hypnotized
I'm melting like the ice
Just make me yours somehow

I hear your heart with mine
I take it as a sign
I have to stop the time
Come with me and get me now

My heart I cannot hide
The passion from inside
When you are here by my side

Chorus
Only for you I feel so hot
You take me higher
Emotions running wild
And I'm on fire
I can't control my mind
You're my desire
Only for you I know I feel so hot

Addiction you've become
I can't get nothing done
I'm shining like the sun
It's all because of you

And when you call my name
I'm burning like a flame
You're driving me insane
You make my dreams come true

My heart I cannot hide
The passion from inside
When you are here by my side...
