I just want you to need me
Warm kisses on your face
Big arms to embrace
I just need you to need me

I should never let you go
I was too scared to tell
You so

How I loved the way
You laughed
All the jokes we played
In the past
Oh god how I need you so,

And now you're gone
And I don't know
If you're coming back
And you're so far
And I'm waiting in the dark
Hoping you'll come back
And hold my hand

And all I do is cry
And ask myself why
I told you goodbye
I promise I'll try
To love you, love you more

I just want you to want me
I just want you to need me
To love me more and more
Each day
To go and take my breath away
To be the one who will
Always love me

And now you're gone
And I don't know
If you're coming back
And you're so far

And I'm waiting in the dark
Hoping you'll come back
And hold my hand
