We can party back at mine now baby
Taxi,Taxi
Smoke kaboosh and drink some wine now baby
Taxi,Taxi
Get your coat you've pulled tonight baby
Taxi,Taxi
Follow me, follow me 'cos I,I, I know the way boy

It's too late to stay, I'm all restless
Don't you wanna see under my dress
I cook the best breakfast-In bed
Ohh get me coming onto you
Can't help it's what you do to me
Why can't we split this crazy scene

I know a place, a cozy place, a killer bed
I know directions would you let me take the lead
and I've got cash in my handbag let me pay
Taxi,Taxi

We can party back at mine now baby
Taxi,Taxi
Smoke kaboosh and drink some wine now baby
Taxi,Taxi
Get your coat you've pulled tonight baby
Taxi,Taxi
Follow me, follow me 'cos I,I,
I know the way boy

(rap Kalomira)
No point roaming around
I've got one thing on my mind
Don't wanna stop for food
I can feed your appetite
I've got everything you want
Everything you need
Cabbie on the accelerator, give it speed
Ooh, ya like that
I like it like that
One way, my way, never going back
I know the back roads, it won't take long

Get your coat, we're going home

We can party back at mine now baby

Taxi, Taxi

Smoke kaboosh and drink some wine now baby

Taxi, Taxi

Get your coat you've pulled tonight baby

Taxi, Taxi

Follow me, follow me 'cos I, I,

I know the way boy

I know the way boy

I know the way boy
