"Across The Highlands"

I've been witness to so many wars
That I'm blind to affliction
No ability left to remorse
It's my faith and conviction

Wide awake, in this world
Full of hate, I unfurl

But I am damned if life itself is condemnation
I am immortal thus my freedom is captivity

Flying all across the highlands, searching for a way
To finalize my history
Rising high above the mountains, reaching for the sky
Closer to my sanctuary

All my life I've been trying to die
Reach complete segregation
I am ready to open my eyes
To a new revelation

Lost in time, there's no place
For my soul, in his embrace

For I am damned if life itself is condemnation
I am immortal and I can't discreet my destiny
Bound to live eternally

Flying all across the highlands, searching for a way
To finalize my history
Rising high above the mountains, reaching for the sky
Closer to my sanctuary

For I am damned if life itself is condemnation
I am immortal and I can't discreet my destiny
Bound to live eternally

Flying all across the highlands, searching for a way
To finalize my history
Rising high above the mountains, reaching for the sky
Closer to my sanctuary, sanctuary
