Far across the sea
A piece of history
In Egypt's land
I'll build a city

Beautiful and strong
Beyond belief
A new metropolis
To redefine my destiny

Rise and shine Alexandria
Under protection of my name
Pure, divine and imperial

A place to watch the stars
The center of the earth
I see it all
My world's converging

And to guide a king's armada
Through the night
I raise the seventh wonder
To delight Poseidon

Rise and shine Alexandria
Under protection of my name
Pure, divine and imperial

Make me the city of a living angel
Casting shades all over Babylon
Hailing me, a holy Son of God

As a monument of time
And the goals that I achieved
Make a sculpture of my mind

Rise and shine Alexandria
Under protection of my name
Pure, divine and imperial
You are a golden age proclaim

Rise and shine Alexandria

Under protection of my name
Pure, divine and imperial
