breathe in deep  
smell these halls of hate  
carve your name into these walls  
before it is too late

cold and twisted  
they resisted  
what was I to do  
all I ever wanted was  
a fraction of the truth

walking in the shadows  
of my blackened mind  
lost inside this shallow  
vanity of time

what if there's a God a hell and heaven  
fire is the torment I must face  
dying by the souls I have forsaken  
no one's going to catch my fall from grace

[bleed on me]  
watch me from your cage  
as I rejoin my painful prime  
[suffer and exhale]  
you and I are relics  
we provoke and we recline

walking in the shadows  
of my blackened mind  
angels crave my sorrow  
sorrow they will find

what if there's a God a hell and heaven  
fire is the torment I must face  
dying by the souls I have forsaken  
no one's going to catch my fall from grace
