Moonlight

I have never craved the system's sympathy
I get restless over pity smiles
Some precaution wouldn't harm my history
If I had the will to wait a little while

You cut the silence like a knife
You know I can't repent for

Moonlight falling over me
Sail on where the shadows hide
Moonlight crawling down on me
Just like you could not compete with my pride

Compensation for a misconducted life
Is it way too much to ask
Hard to wake up with your heart and soul deprived
When the morning comes to second to your last

You cut the silence like a knife
Like the edge of my last defenses

You cut the silence like a knife
You know I won't repent for

Moonlight falling over me
Sail on where the shadows hide
Moonlight crawling down on me
Just like you could not compete with my pride

Shine on silver
From the sky into the night
Guide on shivers
And I need your bleeding light

Moonlight falling over me
Sail on where the shadows hide
Moonlight crawling down on me
Just like you could not compete with my pride

Moonlight falling over me

Sail on where the shadows hide
Moonlight crawling down on me
Just like you could not compete with the pride
