Give me a sign  
Sing the words of innocence and broken pride  
Make my conclusions fail  
Send me a sign, heal this broken melody  
Cause each night I die in hell

My god has shown his sympathy for all the spirits lost  
I'll pray for salvation and peace for ages  
Standing in the summer breeze, inhaling life again  
A new day has come  
A chance to relive  
Forget and forgive

Somehow I wasted all  
They sealed my voice and wisdom  
But my soul was born on the battleground  
Justice in blood... long awaited victory  
And tonight you die in hell

My god has shown his sympathy for all the spirits lost  
I'll pray for salvation and peace for ages  
Standing in the summer breeze inhaling life again  
A new day has come  
A chance to relive  
Forget and forgive

Somebody hides inside my mind  
We're bound together  
But this is my confession

Soulmate or enemy  
A thorn in my religion  
Release my heart, unfold my tongue

Save a place for me in heaven we'll meet another day  
I found forgiveness and the meaning for it all  
My fear is gone  
Gone

My god has shown his sympathy for all the spirits lost  
I'll pray for salvation and peace for ages  
Standing in the summer breeze inhaling life again

A new day has come  
A chance to relive  
Forget and forgive
