came across  
the waters  
a kingdom in the sands  
unfaithful to the sultan  
a killing was at hand  
challenged to survival  
a legacy of fear  
eternal mystic legends  
one for every tear

nights of Arabia  
the queen has lost her right to life  
nights of Arabia  
her destiny in story lines  
nights of Arabia  
a thousand tales and one for life  
these are nights of Arabia

whispers in the moonlight  
a gathering of vales  
circled round the fire  
to hear this evenings tale  
standing on the threshold  
the crest of darkened nights  
seduction of the hunter  
the slave regains her might

"lost inside a shadow  
erase the sins I've made  
heavenly reward me

with mercy on my fate"

nights of Arabia  
the queen has lost her right to life  
nights of Arabia  
her destiny in story lines  
nights of Arabia  
a thousand tales and one for life  
these are nights of Arabia  
Sheherazade will never die

the sultan relents his feeble heart  
his love for the queen is greater than he'll ever know  
"it's easy to let you feed my nights  
someone to touch, someone to hold,  
someone to feel, someone to love"

"here I am to die alone  
voices from heaven above  
hear my call awaken my soul  
forgive me for what I have done"

challenged to survival  
a legacy of fear  
eternal mystic legends  
one for every tear
