When a new day reaches dawn  
I feel it's worth the wait  
But I tumble and I fall  
I'm up against my fate

When the barricades come down  
I'll build them up again  
When I'm just about to drown  
I still don't know the end

CHORUS:

Sometimes I tremble  
Like a little child  
Their faces mourning  
With a broken smile

Sometimes I crumble  
When they're chasing through  
Sometimes I feel that  
I could rule the world

When the morning comes alive  
Release your love brigade  
At the end of day it's night  
To suck it up with hate

CHORUS:

Sometimes I tremble  
Like a little child  
Their faces mourning  
With a broken smile

Sometimes I crumble  
When they're chasing through  
Sometimes I feel that  
I could rule the world

Rule the world

[Solo]

CHORUS:

Sometimes I tremble  
Like a little child  
Their faces mourning  
With a broken smile

Sometimes I crumble  
When they're chasing through  
Sometimes I feel that  
I could rule the world

(Their faces mourning  
With a broken smile  
Sometimes I crumble  
When they're chasing through  
Sometimes I feel that  
I could rule the world)
