Merely the sound of your voice  
Made me believe that  
that you were her  
Just like the river disturbs  
...my inner peace  
Once I believed I could find  
Just a trace of her beloved soul  
Once I believed she was all  
Then she smothered my beliefs

One cold winter's night  
I may follow her voice to the river  
Leave me for now and forever  
Leave while you can

Somewhere in time  
I will find you and haunt you again  
Like the wind sweeps the earth  
Somewhere in time  
When no virtues are left to defend  
You fall in deep

I was a liar in every debate  
I rule the forces that fueled your hate  
When the cold in my heart leaves  
It comes to an end  
And quietly I'll go to sleep

How could that first time recur  
When memories linger on and on  
What made me think you were her  
Helena is dead to all  
dead to all  
Nothing can bring her to life  
Don't pretend that I'll be loving you  
Once I believed she was gone  
I'm corrupted from within  
Leave me for now and forever  
Leave while you can

Somewhere in time  
I will find you and haunt you again

Like the wind sweeps the earth  
Somewhere in time  
When no virtues are left to defend  
You fall in deep

I was a liar in every debate  
I rule the forces that fueled your hate  
When the cold in my heart leaves  
It comes to an end  
And quietly I'll go to sleep

Follow me into the light  
Like ice on a lake of tears  
Leave me tonight  
I'll take you through  
I've gone too far to begin all anew  
Life fades in anew  
With someone like you

Somewhere in time  
I will find you and love you again  
Like the wind sweeps the earth  
Somewhere in time  
When no virtues are left to defend  
You fall in deep

I was a liar in every debate  
I rule the forces that fueled your hate  
When the cold in my heart leaves  
It comes to an end  
And quietly I'll go to sleep
