Up Through The Ashes

So you can heal  
They claim with conviction  
You've got a crowd

So what's your appeal  
Your voice, your predictions  
They're getting loud

But if I let you die, you must forgive me

Raise me up, up through the ashes  
(welcome the paradise you made)  
Take me on, into the light

You want to die  
Create a sensation  
Be makin' the news

An eye for an eye  
my king of creation  
king of the Jews

Before I let you die, you must forgive me

Raise me up, up through the ashes

(welcome the paradise you made)  
Take me on, into the light

[Solo]

Give me a sign of remorse  
(I don't need your blood)  
You will hang on the cross  
For playing god

You the people must decide  
The self-proclaimed prophet, or the novice murderer  
The king or the convict, it's up to you  
So tell me who's free to go

Raise me up, up through the ashes  
(forgive my every sin)  
Take me on, into the light  
Raise me up, up through the ashes  
Take me on, into the light
