"Where I Reign"

Spinning, twisting in my hand
The key to this wasteland
I've been searching it for you
Don't try to run, don't hide away
There is no hope you can't escape

I see your smile fade away
Your bright blue sky has turned to gray
Tonight unlock the door
Close your eyes and meet your fate

Here in this spiraling darkness
Where my pleasure is your pain
Wraps its arms around you

Here in this spiraling darkness
Where my pleasure is your pain
Here is where I reign

It feels so good, this feels so right
That you should be my sacrifice
Don't try to run, don't hide away, hide away
There is no hope, you can't be saved

Here in this spiraling darkness
Where my pleasure is your pain
Wraps its arms around you

Here in this spiraling darkness
Where my pleasure is your pain
This is where I reign

Here in this spiraling darkness
Where my pleasure is your pain
