I'm sitting in the second row
Do you see me, do you know
And if I sing louder than my whole row
Could I kiss you after the show
Yeah tonight I must
Tonight I burn to
Turn my lust
Into learn
And I know your
Every word, every verse
I can almost feel you
Through your shirt
Yeah tonight I'm dreaming in
Black and white
Polka Dots
London's not so far away
We could be there in a day
And maybe when your tour is through
We could write a song or two
If you got a wife
We'll fire her
You can put me in
The Enquirer
I'll give 'em
Every word, every verse
And a picture of me
In your shirt
Yeah I'll be a dream in
Black and white
Polka Dots
You're voice slides up my knees
Like stockings
I wanna feel you breathing now
Breathe in, breathe out
Every smile and every pout
And every
Every word, baby, every verse
I can almost feel you
Through your shirt
Yeah tonight I'm dreaming in
Black and white

Yeah tonight I'm dreaming in
Black and white
Every word, baby, every verse
I can almost feel you
Through your shirt
Yeah tonight I'm dreaming in
Black and white
Tonight I'm dreaming in
Black and white
And I'm dreaming in
Black and white
Polka Dots
