\*You better get ready for a big surprise  
You think it's almost over but it's only on the rise  
Mental message via visual contact  
Nutter than men with a sexual soundtrack

More margarita from my cute seniorita  
Triple the tequila just to hotten/heighten up the flavor  
Joggin down on my JNB  
While checkin up the fatso my dicks anatomy  
Forget the brain, forget the personality  
What i'm after is, your effects on my gravity like trinity  
Its like how with the keeps and / that's why  
Controlling the game with my heavy duty joystick  
(repeat \*)

Flip the tip and skip to the next trip  
Flashin some cashin some rock star bullshit  
Goin in for this club movin in for the killer  
I got us some room in a fancy hotel and  
We got everything we need a big bag of money  
A big a bag of weed and try to impress out this  
thoughts to undress  
Stop the press we need to get this  
(repeat \*)

I'd like to keep it going cause i gotta it goin' on  
But it's Vinci's turn on the microphone so...

My name is Vinci and i am neat  
I love pretty girls and i love to eat  
I made this rap from my mind and i am very very kind  
I like to drive fast in fancy cars and chicks dig me like  
chocolate bars  
You say i'm bad but i am good so shut up now and eat  
some food  
Tsong ano bang problema mo ayusin mo naman  
Lagyan mo naman ng tono para kang nangangatwiran  
Ano bang inaatupag mo sa bago mong apartment  
Sampung taon kanang sikat wala ka bang ibang talent  
Tsong ano bang sinasabi mo mali ang sinasabi mo  
Magaling akong kumanta alam mo ba yung picha pie

Kung sa bagay mahusay nga naman yung picha pie  
Gamit ang boses mong pamatay nilagyan mo ng kulay  
ang kanta  
Diba kahit ikaw ang gumawa

Alam natin mas okay nung akoy kumanta  
Tsong naman please lang wag ka nang magyabang  
At alam mo naman na pang backup ka lang  
At ilan na ba ang talagang nagawa mong kanta  
Ilan... wala eh ano ngayon

Alam naman nating lahat na si Vinch naman talaga  
dapat  
Ang vocalist ng parokya band parokya ni edgar

Teka lang one minute pwede bang pakiulit  
Maaaring may lamang ka sa paligo  
Subalit bakit mo naman nasabi na ikaw ang nararapat  
Eh ni isang kanta man lang wala kang naisulat

Eh... bat ibang singers naman kahit di niya sinulat  
Ang kinakanta nilang kanta ay sobra kung sumikat  
Tulad ko, at ni kino, at ni benedict aquino  
Na wala na yatang mas sisikat pa kahit na sino

Ewan ko, sandali! wag ka ngang makulit.  
Kung ayaw mong masipa sa mukha ng malupit.  
Baka makatikim ka ng 'sang swela-de-kamao na  
Si lisito el de gato sa gulpihang de con todo.

Talaga? hindi nga? pagtawanan ba ako?  
Hindi porke't koreano ka magaling ka magtaekwondo  
Wag kang mag-aangas sa lalaking may balbas  
Kami yung mga tipo na hindi umaatras

Sandali lang...  
Wag muna kayo mag laban  
Bago kayo magsuntukan, bat nyo muna pagusapan  
Ang di maunawaan  
Sigi na kiss na, peace na please  
Pambayad ko sa jeepney kulang pa ng diyes.  
Kung ayaw mong mangyari ang nangyari sa iba,  
Matuto tayo kung paanong magpakumbaba  
Wag nating kalimutan kung saan nagsimula

Alam naman nating lahat  
Na mahal namin ang isa't isa  
Walang iwanan sa parokya band  
Sa parokya ni edgar

Ahh... ahh...

Ah, di ko alam kung pano tatapusin yung kanta  
Kaya ganito bigla na lang mawawala...
