I still hear your voice, when you sleep next to me.
I still feel your touch in my dreams.(my dreams)
Forgive me my weakness, but I don't know why
Without you it's hard to survive.

'Cause everytime we touch, I get this feeling.
And everytime we kiss I swear I could fly.
Can't you feel my heart beat fast, I want this to last.
Need you by my side.
'Cause everytime we touch

Yeah, yeah Mc OZ
Yea Cash Cash
Yeah, uh what
'Cause everytime we touch,
You light me up like Los angeles
Girl, the Hollywood lights can't handle this
Hold on, tell my momma this chick is my future miss
I never knew a chick like this before
And momma I can't ignore
It doesn't take a genius to feel it this time
But if it does, you can call me Einstein
After feeling this much, I'm down for a game of two
hand touch
What you feel it two? I feel it three.
Four on the floor, who's next, me?
That's right a round of applause
Mc OZ, came with a cause, but it's never enough
Everytime we touch

'Cause everytime we touch, I get this feeling.
And everytime we kiss I swear I could fly.
Can't you feel my heart beat fast, I want this to last.
Need you by my side.
'Cause everytime we touch, I feel the static.
And everytime we kiss, I reach for the sky.
Can't you hear my heart beat slow,
I can't let you go.
Want you in my life.

'Cause everytime we touch, I get this feeling.

And everytime we kiss I swear I could fly.
Can't you feel my heart beat fast, I want this to last.
Need you by my side.

'Cause everytime we touch, I get this feeling.
And everytime we kiss I swear I could fly.
Can't you feel my heart beat fast, I want this to last.
Need you by my side.

Forgive me my weakness, but I don't know why
Without you it's hard to survive.

'Cause everytime we touch, I get this feeling.
And everytime we kiss I swear I could fly.
Can't you feel my heart beat fast, I want this to last.
Need you by my side.
'Cause everytime we touch, I feel the static.
And everytime we kiss, I reach for the sky.
Can't you hear my heart beat slow,
I can't let you go.
Want you in my life.
'Cause everytime we touch...
