Hiding somewhere back inside myself
Right now I can't be there for anyone else
Torrential rains have soaked my will to choose
It seems I always seem to lose things

I hear these words you say
But I can't change
I'm feeling such pain
I will be whole again
I don't know when
But I'll be here then

You always told the truth when I needed you to
So now will you tell me what to do
I can't get out of this familiar place
There's so much I can't erase

I hear these words you say
But I can't change
I'm feeling such pain
I will be whole again
I don't know when
But I'll be here then

Let me fall myself
I can't fix this with your help

I hear these words you say
But I can't change
I'm feeling such pain
I will be whole again
I don't know when
But I'll be here then

I hear these words you say
But I can't change
I'm feeling such pain
I will be whole again
I don't know when
But I'll be here then
