"You Move Away"

You came to me
Full of pain
Your guard was down
You felt ashamed
Cried yourself to sleep
To escape
From that day
From all the pain

You turn away
I don't know what to say
Something inside is frozen
You move away
I don't know what to say
Looked to the sky and prayed

I'd never seen
You so distraught
Your eyes looked lost
You felt alone
I can't understand
What you've been through
But I will try
To get to you

With the morning light
You felt some hope
You saw yourself
As truly changed
The shadow remains
But you can cope
I know your strength
I feel your soul
