Hey Mister Trouble
Hey Mister Tender Touch
Play me a shuffle
Make my angels blush
You've got a groove
And it ain't from around here, no
And Texas is back to where it's gonna go
Why'd you have to play so sweet
Swing a Midwest girl off her
Midwest feet
Dance little heart 'til you're nice and weak
He's gonna break you with a
Texas beat.
Could've been handsome
And I would've been alright
Mere attraction ain't enough
To turn on my light
Could've been clever
And I would've been clever too
Clever enough to stay away from you
Why'd you have to play so sweet
Swing a Midwest girl off her
Midwest feet
Dance little heart 'til you're nice and weak
He's gonna break you with a

Texas beat
Well, I should have known better
You're in a candy shop
Where everything's free
And where you can have
Anything you want
So go out and get your
Next little girl
To kiss you when you're there
And miss you when you're not
Well, I should have known better
You're in a candy shop
Where everything's free
And where you can have
Anything you want
So go out and get your

Next little girl
To kiss you when you're there
And miss you when you're not
Dance little heart 'til you're nice and weak
He's gonna break you with a
Texas beat
Break you with a
Texas beat
Break you with a
Texas beat
