We've been on the run  
Driving in the sun  
Looking out for number one  
Marikina, here we come  
Right back where we started from  
Hustlers grab your guns  
Your shadow weighs a ton  
Driving down the 101  
Marikina, here we come  
Right back where we started from  
Marikina, marikina  
Here we come!

On the stereo  
Listen as we go  
Nothing's gonna stop me now  
Marikina, here we come  
Right back where we started from  
Pedal to the floor  
Thinking of the roar  
Gotta get us to the show  
Marikina, here we come  
Right back where we started from

Marikina, marikina  
Here we come!  
Marikina, marikina  
Here we come!  
Marikina, marikina  
Here we come!  
Marikina, marikina  
Here we come!  
Marikina, marikina  
Here we come!  
Marikina, marikina  
Here we come!  
Marikina, marikina  
Here we come!
