Ride with the devil
Light the torches

Stormhex
Bloodhex, Burst into flames

Stormhex
Blood hex, Cold blitzing rage

Storm hex
Blood hex, Over dark
Northern blue

Storm hex
Blood hex, Between fire and
Wood

Like a fistful of blood
Feels like winter and moon
Feel the blitzwitch
Feel the blitzwitch
Like a force underneath
Over steep wind washed cliffs
Feel the blitzwitch
Feel the blitzwitch
Over dark northern blue
Between fire and wood
Feel the blitzwitch
Feel the blitzwitch
Feel the blitzwitch
Feel it burst into flames
Feel the blitzwitch
Feel the blitzwitch

"Light the torches hunt her down, let the
Devil whore burn
Let the devil whore burn, hunt her down"

Like a fistful of blood
Like a winter of hate
Between fire and wood

Between fire and hate
